

## GENERAL LIABILITY

### PRODUCT

The general liability landscape is in constant motion and we are here to help you with your reinsurance needs. From a globalized economy that requires local policies to be up-to-date with international insurance limits up to a changing legal environment that requires constant attention to decrease your business operations exposure, INSIGHT REINSURANCE can provide support to help protect those assets by covering bodily injury and property damage along with other additional coverage applicable to your jurisdiction.

### REQUIREMENTS

Minimum Premium USD 5,000 (Insight Reinsurance share) / All our policies will be on a PER EVENT and AGGREGATE basis / Policy Trigger: OCCURRENCE BASIS or CLAIMS MADE / Slip, revenues, 5 year loss record and questionnaire when available

**CAPACITY** USD 2 MILLION per Risk

### TARGET SEGMENT

Manufacturing / Power Generation / OCIP insurance policies with yearly terms

**WALK WITH  
CONFIDENCE,  
WE'VE GOT YOU  
COVERED**

### CONDITIONED TO REVIEW

Product exports to the US/CAN and PR / Hospitality risks and associated exposures (travel and tourism) / Construction projects with medium to heavy exposures / Chemical exposure without agrochemicals / Warehouses / Transportation / Government entities / Gasoline stations / Insureds with less than 3 years of experience

### OUT OF SCOPE

Propane gas transportation via auto fleets / Pharmaceutical products / Off shore exposures as the main exposure / Airside exposure and vessels hull (Port operations can have incidental coverage to hull which if sublimited, can be covered) / Coverage for deductible of large global programs / Construction projects over 5 years / Critical auto parts / Gradual pollution / Coverages provided by other LoB policies such as ARIEL (Aviation policies) / Refineries / Mining / Agrochemicals / Decennial Liability / Dam operators / Firearms, Tobacco & Cannabis

## ABOUT US

Insight Reinsurance is a specialized underwriting agency focused on leveraging technology to improve underwriting metrics, automate data processing and produce actionable data insights to deliver fairer prices to its clients and a better customer experience to our brokers and insurance companies. As an INSURTECH, we are committed to provide quality and timely underwriting services to our clients by using our deep market knowledge, underwriting expertise, while keeping a profitability driven mentality.
